

Delta Girls Softball Invitational Coaches Sheet

Welcome to the DGSA Invitational. On behalf of the Board of Directors, we thank you for your participation in our tournament and hope your entire team has an enjoyable experience.

The pools were determined by a blind draw of all teams in each division. Each team will play pool play games and every team will be seeded in a double elimination tournament based upon pool play results. Win/loss records will determine the seeding and runs allowed per inning will be used as the tie breaker between teams with the same number of wins.

It will be important to keep the games on schedule as much as possible, so to help in this area and to provide our Board members time to do diamond maintenance between games:

1. Infield warm-ups should take place in foul territory in front of your dugout before each game.
2. Pitchers will get 5 warm-up pitches for their first inning of work, and 3 warm-up pitches for each inning thereafter.

Home teams will be determined for each game by a coin toss. Please come to the main table for the coin toss 30 minutes prior to your game. A score sheet will be provided to each home team coach, which should be returned to the main table immediately following each game. Home team will be responsible for the score sheet and the visiting team will be responsible for the score board.

Sportsmanship is expected from all coaches, players, and spectators. The umpires have been instructed to confer with each other and both coaches, if necessary and appropriate, to resolve any questions and disputes in a professional and sportsmanlike manner.

Any foul ball which strikes part of a tree over the field shall be treated as a foul ball out of play.

Thanks again for your participation and we hope everyone has an enjoyable tournament. Good Luck to all!!!
